

BRINGING YOUR DOG OR CAT TO CAYMAN?

Rabies titre test: who's exempt?

Qualifying pets from listed 'no rabies-risk' origins do not need the blood test.

Clear guidance for your pet's journey.

Rabies vaccination is still required.

PLEASE NOTE

Listing does not guarantee permission for direct travel. Please confirm your route with Pawsome before booking.

PLANNING YOUR PET'S TRAVEL

What this means for your pet

01 Confirm your pet's eligibility

Qualifying pets do not require a rabies titre test. Pawsome will review your pet's history and travel plans.

02 Other requirements still apply

Rabies vaccination, microchip identification and travel documents remain required. We can guide you through each step.

03 Plan your journey with Pawsome

Share where your pet has lived and your proposed route. We will help confirm the timing and documentation needed.

BEFORE YOU BOOK

Sea travel and pet passports have separate testing requirements. Contact Pawsome before booking.
